

CASE STUDY

Weinberg Partners helped create comprehensive entity consultation and formation, taxation, registered agent and payroll services to a client based in Asia for US operations

CHALLENGE

- Manufactures goods in Asia and sells to big-box retailer in US
- Seeing to do business in US

SOLUTION

- Set up business in US in several states
- Provide tax services, accounting and payroll services

We offer a smart **solutions-based approach** centered around **your company's unique needs.**

Client manufactures goods in Asia and sells to big-box retailer in US.

Weinberg CPAs and Chartered Accountants consulted with the client and upon determination of the best structure, set-up the enterprise to do business in the US and in multiple states, and provides ongoing US and state taxation services, accounting, and payroll services.

If you are a foreign person seeking to set up operations in the US, please contact us for a complimentary consultation.

Referrals available upon request.
